### How do we select the wines of the month?

We meet with importers and wine makers weekly, tasting lots of wine to find our premiere boutique selections at affordable prices. Basil and I have different palettes but we both know a great wine when we find one. So sit back and let us do the driving to bring affordable fantastic wines into your home.

### How will you pay for your wine?

You can pay in advance or monthly (with a credit card on file). You can stop at anytime with a phone call or an email.

### What are the package options?

Monthly	\$45
3 Month Subscription	\$135
6 Month Subscription	\$270
Annual Subscription	\$513 includes a 5% discount

*\* all subscriptions include shipping and handling*

Subscription in the club affords a most coveted wine experience. It's makes a sincerely thoughtful holiday, birthday, anniversary or shared special gift to a significant person or loved one. It's a special recognition and thanks for a business partner.

### What's in the shipment besides wine?

Each monthly subscription includes tasting notes, how we found the wine, food pairing suggestions and any little known facts about the selection. All wines come from authentic wineries some of which we have visited. A **free** 6-bottle wine carry tote made of recycled fabric will be included in your first order for joining the club. And of course, wine re-order pricing and instructions. Many of these wines will be limited in quantity so don't wait too long if you want more...
